Welcome to the Webin Submissions Portal

You can use this service for a range of submission activities as well as reports on your submissions. For help with submitting your data, including the use of this interface, please refer to our Help Guides. (https://ena-docs.readthedocs.io/en/latest/index.html)Please familiarise yourself with the different submission interfaces and what can be submitted through each by reading our General Guide on ENA Data Submission. (https://ena-docs.readthedocs.io/en/latest/submit/general-guide.html)All users are advised to take a moment to understand the ENA Metadata Model. (https://ena-docs.readthedocs.io/en/latest/submit/general-guide/metadata.html) You may also like to review how the release of data is managed in our Data Release FAQ. (https://ena-docs.readthedocs.io/en/latest/faq/release.html)

A dedicated submission API for COVID-19 genomes is available here. (https://www.ebi.ac.uk/ena/submit/webin-cli)
